## ABOUT THE ARTS IN THE PARKS PROGRAM

### ***Bringing Back the Arts to Our State Parks – A Bicentennial Celebration***

Arts in the Parks is a partnership between the [Indiana Arts Commission](#) (IAC) and the [Indiana Department of Natural Resources](#) (DNR). Endorsed by the [Indiana Bicentennial Commission](#), this program also celebrates the Centennial of Indiana State Parks and the 50<sup>th</sup> Anniversary of the IAC through enabling the creation of arts activities for the public to enjoy at parks and forests across the state.

### **Description:**

Arts in the Parks will draw on traditional and non-traditional arts and artists in Indiana, weaving arts into our state's natural beauty and rural settings. Arts in the Parks will provide funding for Indiana arts organizations, Indiana non-arts organizations,\* and Indiana individual artists to bring arts programs, services and artist in residencies to local communities in participating state parks and forests, promoting public engagement in the state park/forest system.

Projects to the public (tourists, visitors, local residents, etc.) may include, but are not limited to: artist residencies, performing arts events, exhibitions, educational residencies, and hands-on arts activities for citizens and visitors of all ages. Programs should be tailored to the unique assets represented in each park or forest property with minimum impact on DNR staff and property. For information on participating DNR properties, please visit the [Arts in the Parks program webpage](#).

*\* Non-arts organizations do not have the arts as their primary mission. They include pre-K, elementary, secondary, schools, and, in some cases colleges and universities; senior centers; parks and recreation departments; civic and community service organizations; professional associations; public libraries; public broadcast stations; health and human service agencies; and other public agencies and private nonprofit tax-exempt community based organizations.*

### **THE INDIANA ARTS COMMISSION**

On behalf of the people of Indiana, the [Indiana Arts Commission](#) (IAC) advocates engagement with the arts to enrich the quality of individual and community life. The IAC encourages the presence of the arts in communities of all sizes while promoting artistic quality and expression. The IAC advocates arts development opportunities across the state, and stewards effective use of public and private resources for the arts. It stimulates public interest in, and participation with, Indiana's diverse arts resources and cultural heritage. [The IAC works to enhance public awareness of the arts, life-long learning opportunities, and arts education programs](#). Governed by a [15-member board of gubernatorial appointees](#), the IAC serves all citizens and regions of the state.

### **THE DEPARTMENT OF NATURAL RESOURCES**

## APPLICATION REVIEW CRITERIA

After receipt of completed application, the IAC will review your materials to ensure that all required information was submitted. If any discrepancies are found (such as incomplete answers or uploads), your application may be ineligible for panel review.

### Panel Review

Each eligible application will be reviewed and scored by a conflict-free panel comprised of both arts and environmental professionals. The panel review will be open to the public and may be recorded. Applicants are invited and encouraged to attend to hear feedback. The quality of the recorded session is not guaranteed but will be posted and made publically available. Applicants are invited as observers only and cannot lobby or address the panel on behalf of their applications before, during or after the panel meeting. The panel meeting and location will be posted [here](#).

The panel review will be based on the number of applications received and type of projects or disciplines. Each individual artist will choose their discipline within the application. If you are a folk artist, there is an additional question you can choose to respond in order to determine eligibility for the folk discipline. Artists with disabilities may apply in any arts discipline. Applicants will be paneled with other access applications and will compete for the same funding source.

### Evaluation Criteria

Applications will be scored on a 100-point scale by the panel. The scores will be included as part of a funding formula to assist with the allocation of grant awards. Applications with a score of 75 or over will be eligible for funding. Evaluation criteria details can be downloaded as a PDF by clicking [here](#). Information submitted in the application will be reviewed according to the following evaluation criteria:

**Feasibility: 25 Points** - Extent to which applicant demonstrates ability to successfully design and implement the project

**Natural Environment Impact: 25 Points** - Extent to which applicant demonstrates arts experiences consistent and appropriate for the state park/forest property

**Public Benefit & Community Impact: 25 Points** - Extent to which the project engages audiences in the park/forest and provides meaningful arts experiences

**Artistic Quality: 25 Points** - Extent to which the project demonstrates artistic quality and is culturally beneficial

## GRANT AWARD DETERMINATION

Following the panel meeting, a Commission-approved funding formula is applied that takes into consideration the panel's ratings, number of eligible applicants, and available funds to determine specific grant recommendations. The Indiana Arts Commission will review and ratify the funding recommendations at its December quarterly business meeting. Commission meetings are open to the public for observation and may be recorded. All applicants will be notified after the Commission ratifies the grant recommendations.

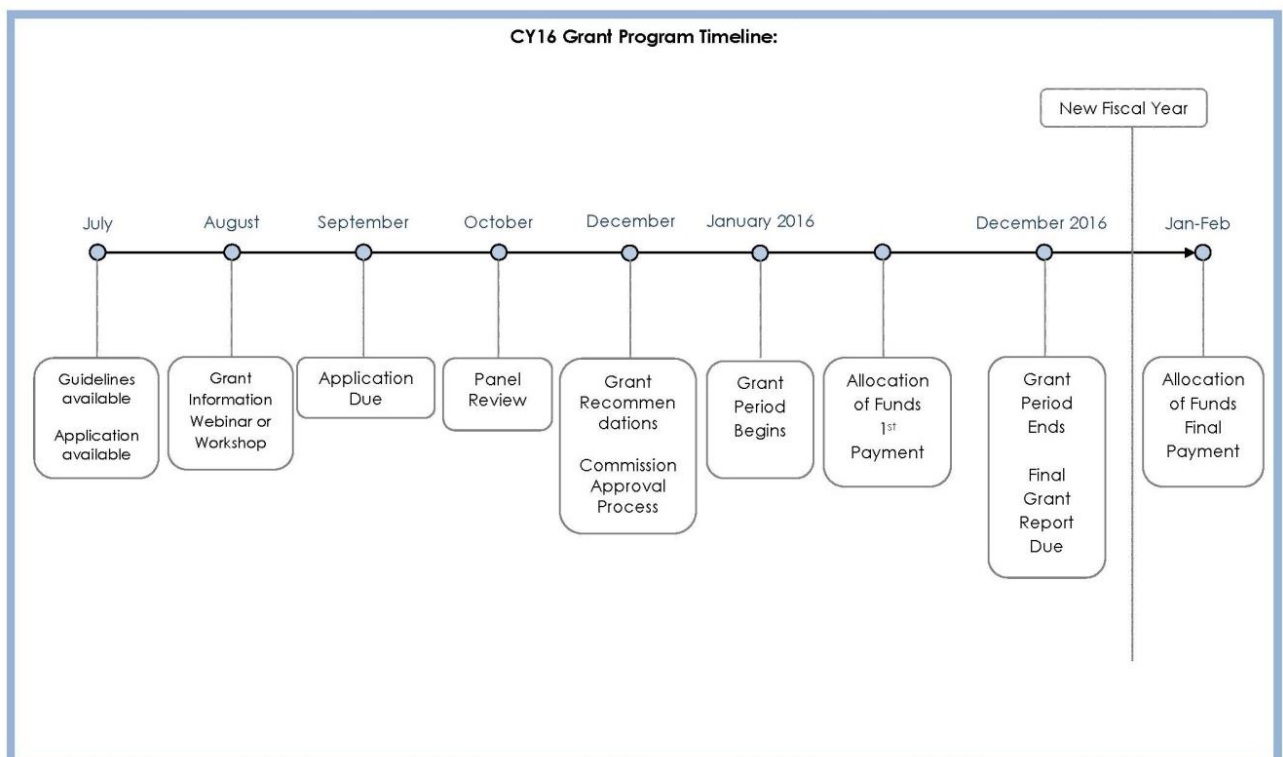

## RECONSIDERATION POLICY & APPEAL PROCESS

The reconsideration process is designed to review the method and fairness of the IAC decision concerning a grant application. This process is not intended to impose a different panel's choices/judgment over the original panel's decision. Dissatisfaction with the denial of a grant or the amount of an award is not sufficient reason for an appeal. For more information refer to the IAC's [FAQ Webpage](#).

## GRANT PAYMENT SCHEDULE

All payments are contingent upon adherence to all grant guidelines and reporting requirements. The first grant payment will be for 75% of the first Calendar Year total award. The second and final Calendar Year grant payment will be for 25% of the total award. It may take approximately three months from the time the correctly completed forms are submitted until the recipient receives the payment. If the grantee fails to comply with the contract, reporting, logo, or the letter to elected officials requirement, the IAC may rescind the entire grant amount and this may jeopardize future grants from the Indiana Arts Commission.
